CWA Competitions

Mrs Greta Rees for the Woodburn CWA joined us for our school assembly last week. Mrs Rees presented many students with certificates and prizes for their entries in the Country of Study competition. Special mention was made of Emily Webster and Kalei Walker whose entries were of such a high standard they were sent on for judging at the Area level of competition. Congratulations to all the students on their efforts in the competition.

Assessments and Reports

Time is slipping away quite quickly this term as evidenced by our upcoming assessment and reporting process which commences next week. Both classes will be undertaking a variety of assessments next week across a number of learning areas which will support teachers with their report writing. I encourage students to ensure they get plenty of sleep so they are at their best for these assessments.

Over the next five weeks we enter what's often known as the busiest time of the year with a multitude of activities planned for the students and the school. Parents are asked to keep an eye on the calendar as we countdown to another busy year's end.

Nude Food Day

Congratulations to all our students, and also the parents, who supported our day yesterday to help minimise the amount of rubbish we produce each day at school. We had a total of 6 pieces of rubbish for all students which was a fantastic effort. Nude Food Day also allows us to reflect on the importance of eating more of the healthy "everyday foods" than the "sometimes foods" in our daily diet.

Primary Principals Meeting

Yesterday many principals from across the Far North Coast region met for the Primary Principals AGM. Schools as far south as Woodburn right through to the Tweed were represented at the meeting which saw NSW President Geoff Scott speak at length to the meeting. Geoff is a recognised speaker who is well regarded by not only his education colleagues but also throughout both the DEC and government circles. Geoff's key message was that we are in the process of undertaking some of the most significant changes to Public Education seen in many years. There is a major restructuring of the department which will see some teaching and many non-teaching positions become redundant. This realignment of State Office and the proposals for changes to the current regional model of local service delivery

are just two of the changes currently taking place.

Whilst the state government is cutting funding to the education budget by 1.7 billion dollars over the next four years we still await the federal government's decision regarding the Gonski recommendations.

A Community Day of Action is being held at Heritage Park in Lismore on 18 November from 11am. The purpose of the get together is to support the "Putting Students First" campaign and to protest against the funding cuts to schools. Any support from our school community would be appreciated. A poster is on display at school with more details.

Teddy Bear's Picnic

Next Wednesday, November 14, is the SRC Teddy Bear's Picnic. We will be leaving school at 12.30pm and walking with our teddy bears to Melba's Verandah, where we will have a picnic lunch in the garden.

Parents and friends are more than welcome to join us. Both classes have teddy bear items ready to perform, and would love an audience.

This is a fundraising event for the Westmead Children's Hospital, so any gold coin donations would be appreciated.

Word Mania Challenge

A big congratulations to Riley Patterson for qualifying for the grand final round for the National Word Mania Challenge. Although he didn't win, he did his best and made Broadwater Public School proud. Riley qualified in the top 15 students for his age in NSW! Huge effort Riley!! Thank you again to all those students who participated in the National Word Mania Competition. All of you did very well and it was great to see so many students representing Broadwater Public School. Again, a big thank you to all the parents for assisting them in this challenge.

Cascade Excursion

With our Cascade Excursion only about twelve sleeps away the students are starting to get excited. A final note outlining last minute details will be sent home

to all parents next week. Could I ask that all medical information notes be returned to school now, as these need to be sent off to Cascade early next week? I would like to thank Mr Patterson and Mrs Walker who have volunteered to support us on the excursion.

All final payments for the excursion must be made by **Thursday 15 November** (next week). If any parents have any concerns or questions, would they please contact the school office at their earliest convenience?

Presentation Night

Our 2012 Presentation Night planning is well underway. The date has been set down for Thursday 13 December commencing at 5:00pm. The evening this year will involve some fundraising, including a bush dance and a barbeque, to help support the costs of the upcoming excursions. Staff have decided that the entry fee for the Bush Dance will be set at \$3 per student and \$8 for a family ticket. Food items will be on sale separately. The night will begin with a barbeque followed by the formal presentation of awards to students. Our new Kindergarten students will also be joining us for the night as will a special guest who comes only once a year. The awards ceremony will be followed by a Bush Dance

which has been planned to replace the Term 4 disco. So with only five weeks to go, start brushing up on your Strip the Willow, Heel and Toe Polka and the Pride of Erin dances which will be just a few of those we'll be kicking our heels up to on the night. All students are currently busy preparing their dance moves for the night by learning a number of dances during PE lessons. We are asking all families to jot the date in their diaries because it should be a wonderful night to finish off the year.

P&C Movie Night Meeting

A special meeting has been organised for Tuesday of next week at 4:30pm to look at the plans for the Movie Night which is set down for Saturday week. All parents

are invited to join the P&C as we finalise the details for what should be a great night under the stars. All families are being asked to help support our P&C Christmas Raffle by donating a food item or a small gift for the hamper. It would be very much appreciated by the P&C. Items for the Christmas raffle should be sent to the school as soon as possible and left with Rebecca in the office.

Intensive School Swimming Program

Thank you to our parents who have volunteered to assist at the pool and to transport our K-2 students to Woodburn for the Intensive Swimming Program. Please find attached a permission note and a driver's transport roster, if you are unable to transport on the day allocated please contact Rebecca in the office as soon as possible.

Costing for the pool entry is \$2.10. Payment options are as follows:

1. In full (\$21.00) by Wednesday 14th November
2. Half payment of \$10.50 by Wednesday 14th November and the remainder by Friday 23rd November

It would be preferable to have payment paid in full (\$21.00) by Wednesday 16th November.

The pool session would commence at 11:30, meaning we would need to leave school at 11:00 and return to school by lunch time. Parents are asked to be at school 10 minutes before departure.
