Assembly

Week 10

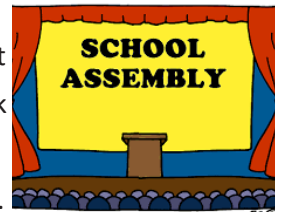

Mon 19 ~ Life Education Visit
Tues 20 ~ Mid Richmond
Public Speaking
Thurs 22 ~ Evans Head Day
Out
Fri 23 ~ K-6 Assembly
~ Last day of Term 3

Cooper - 11 September

Merit Assembly

Our next Merit Assembly will be held in the Assembly Room tomorrow commencing at 9am. Parents are most welcome to join us as we recognise the wonderful work of our students. The senior class will be running the assembly and will share some class activities and items.

NSW Athletics Championships

Congratulations to our PP5 Relay team who placed first at last week's North Coast Athletics Championships held at Coffs Harbour. Bailee, Wade, Trae and Izzy ran one of their fastest times in the final, placing them first from the eight

teams competing.

As mentioned last week the final leg of this journey for our athletes is the State Athletics Championships which will be held at the Sydney International Athletic Centre in Homebush in Week 2 of next term. We are planning some ideas to help with associated costs for these athletes. Please help out if you are able.

NAPLAN

Our NAPLAN hard copy results have arrived and will be sent home with our Year 3 and Year 5 students today. These assessments provide one source of data for teachers to use to gauge where their students are at with their learning in Literacy and Numeracy. Other sources of data we use include Class assessments, Check-In Assessments and PLAN data.

Overall, we had some very positive results from both grades. Once the data is posted electronically on SCOUT, we will be able to share more detailed information with our families.

Toys at School

It has come to the staff's attention that an increasing number of toys (mainly soft) are coming to school. Where there was some leniency around this over the last few months due to a lack of resources for our students to play with, that is now not the case. This rule was in place at Broady School.

From now on students may bring a toy item to school only for the purpose of presenting it for their news (on their allocated day) and it will only come out during news time. The remainder of time the toy stays in their bag.

Evacuation Drill

Yesterday our school joined Evans River in their emergency procedures for Evacuation. This is designed to ensure all students and staff know exactly what to do in case of a real emergency. Teachers discussed the reasons for the drill with the class and the procedure itself. After assembling on the school oval, attendance was checked and the procedure reinforced.

Day Out at Evans

Staff are currently organising some different activities for our students to celebrate the end of Term 3. We have decided to organise a Day Out in Evans for all students on Thursday 22 September. We are planning to walk down to the beach for some beach activities followed by a session at the Evans Head Aquatic Centre where the students will be treated to a free BBQ lunch. Following this we will move to the Pirate Park and playing fields nearby for some fun activities and games. Parents are welcome to join us for any part or all of the day. As planning continues to evolve, we will keep our families informed.

Life Education Van

The Life Education van will be coming to our school in the last week of this term. The van's visit will happen on Monday 19 September and the students will once again be able to meet up with Healthy Harold. Teaching staff have selected the program to be delivered for their class based on the PD Health PE syllabus as follows:

- K-2 - Harold's Friend Ship
- 2-3 - Growing Good Friends
- 4-6 - Relate Respect Connect

Each class will be completing follow up Personal Development activities based on the van visit. There will be no cost for this activity. If you DO NOT wish for your child to participate in this activity, please contact the school office on 6682 8226.

Exciting Debating News

Congratulations to the school debating team on reaching the North Coast Regional Finals! The team was awarded a technical win on their last debate and this result placed them as equal winners of their zone. The students in our debating squad are Izzy, Paige, Miley, Kamahla, Lora, Gemma, Jade, Indi, Bailee, Clay, Wade and Fynn. It is now a knockout competition with the next debate against Narranga Public on Monday 12 September, via zoom. We wish the team the best of luck in this debate.

Mrs Watts

P&C Meeting

Our next P&C meeting will be held next Monday at the Illawong Hotel in the Dining area. All parents are welcome to attend this meeting to catch up and share their ideas to promote our school. The meeting will commence at 5pm and usually runs for just over an hour.

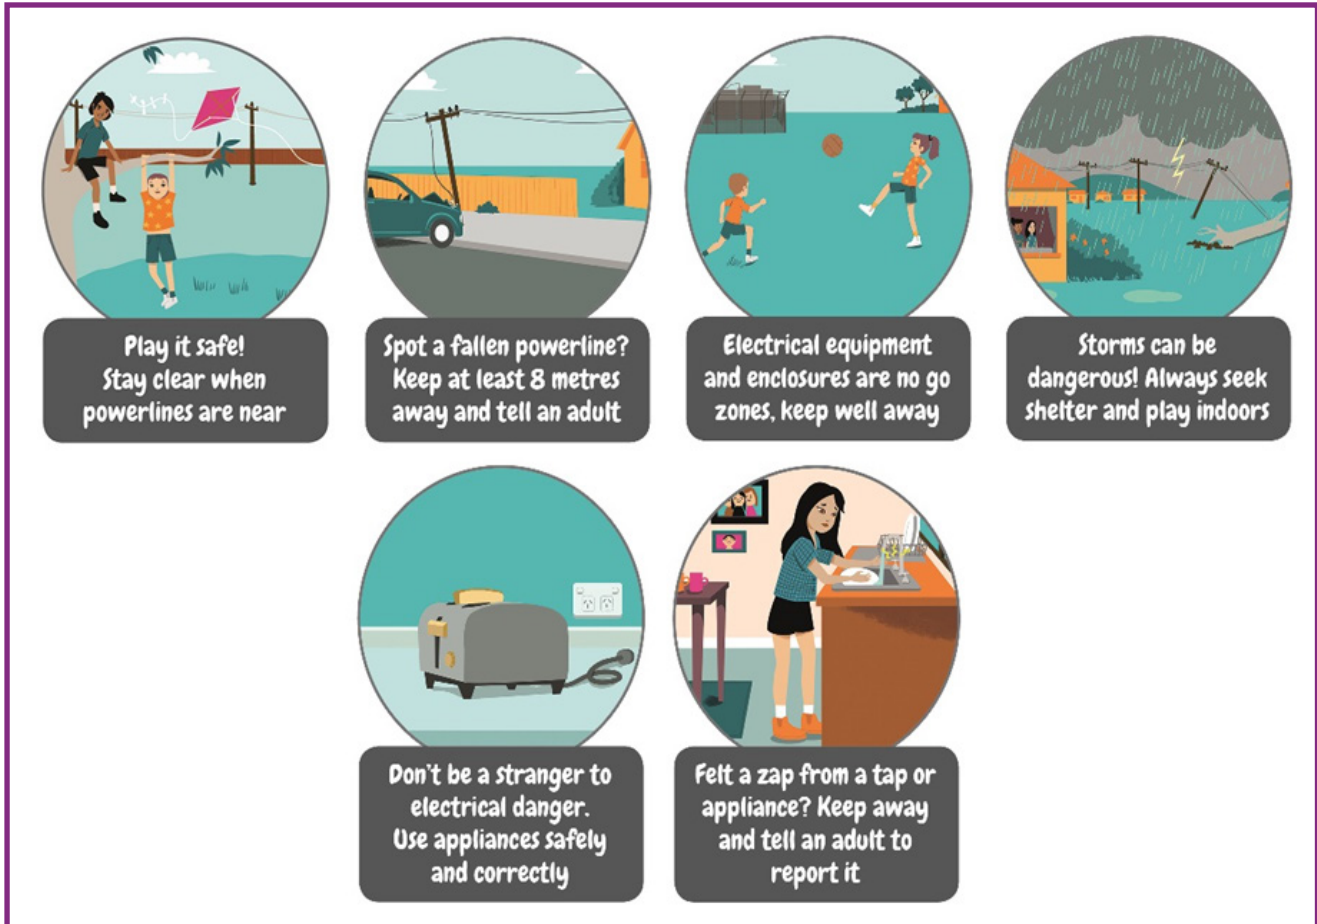

Safety Stars shining bright this Electricity Safety Week

This week our students will be learning all about electricity and how to be safe around it thanks to Essential Energy's Electricity Safety Week (ESW) program. Our Safety Stars can't wait!

As part of Electricity Safety Week, students will be learning the six key safety messages on electricity safety around the home and outside.

We hope students will come home and share some valuable safety tips with parents and siblings this week!
