Royal Far West

Our friends from the Royal Far West team are returning to our school for a visit next week. Whilst they are here they will be spending time with our students and providing Professional Learning for our teachers and SLSO's. During their visit we will be having a session where parents are invited to meet with the team on Thursday morning. Please keep an eye out for an email early next week with more information regarding times. There is more information on page 4 regarding their visit. We look forward to having the RFW team with us.

Cross Country

At this stage Cross Country is still going ahead tomorrow. Please pack a change of clothes and some wet weather gear for your child as it is predicted for showers throughout the day. Our school will have a marquee and tarps for our students to sit on and the Teven Tintenbar School Hall and undercover areas will be available if required throughout the day. The bus will be leaving school at approximately 9.10am with the event due to commence at approximately 10am. The bus will return to the carnival at 2pm to bring students back to school, however if parents would like to take their child home from the carnival, please see the supervising teacher to sign your child out.

Family Fun Day

Our Family Fun Day at the end of last term was a wonderful success. Thank you to everyone who was able to attend on the day and contribute to making the event a wonderful experience for everyone. A big thank you to families for their amazing efforts with crazy hair and hats. Our prize winners on the day were Laiken, Olivia, Jett, Ollie, Caleb and Baiden. Also a big thank you to Mrs Watts for organising the Minute to Win it games. We hope to host another similar event later in the year.

PP5 Relay Team

Our PP5 Team swam very well in Sydney at the State Titles, making the finals and knocking a significant **8 seconds** from their PB. Congratulations to Teal, Trae, Leah and Bailey for their amazing efforts. We are all very proud of your achievements.

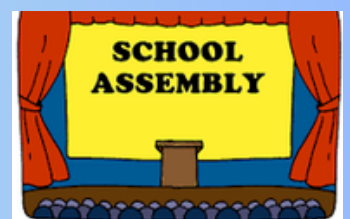

Touch Football Trials

Leah, Bailey, Teal, Baiden and Trae are attending the PSSA Touch Football Trials today, at Teven Tintenbar Public School. We wish them all the best and know they will do themselves and our school proud during the try outs. We look forward to hearing about their day.

Assembly

Our first assembly for the term will be held next Friday May 10, commencing at 9am in the Assembly room. Parents are Carers are welcome and invited to join us.

Anzac Day Dawn Service

It was wonderful to see many students and their families attend the Dawn Service in Broadwater over the holidays. Our captains, Bailey and Leah, participated in the service, reading a poem and laying a wreath. The girls spoke very well and presented themselves as excellent leaders of our school.

Royal Far West visit

We will be welcoming back clinicians, Tayla, Lily and Darby, from Royal Far West on **Monday 6th May – Thursday 9th May**, delivering a range of supports as part of their Community Recovery service. The visit will include:

Stormbirds Reconnector:

As part of the Stormbirds Reconnector session, children will revisit concepts from the program such as:

- Learn change is part of life and prepare for change
- Name and care for feelings
- Develop skills for coping, problem solving and decision making
- Build their support network with families, friends, teachers and others

If your child participated in the Stormbirds group during our previous visit, they will be included in the session. Please get in touch with school staff if you have any questions or concerns.

Parent/carer drop-in sessions:

Do you have a question you would like to ask a RFW clinician?

Common questions we get asked by parents:

- *My child goes from 0-100, what can I do?*
- *My kids just don't seem to get along, how do I manage sibling conflict?*
- *We have gone through a lot of changes and stressful events in the last year, how do I help prepare the kids for this?*

Maybe you just want to know what an Occupational Therapist, Speech Pathologist, Social Worker, or Clinical Psychologist can do to help you or your child.

Please speak to Rebecca in the office if you are interested in meeting/speaking with an RFW clinician – this could be in person or over the phone. Please let her know all your available days, if you are available in the morning, afternoon or all day, and your preference of in-person or phone.

Educator support:

As part of professional learning for teaching staff, clinicians will be spending time in each class to gain an understanding of how the classroom runs and provide suggestions to teachers on supporting learners in the classroom. If you have concerns or questions about your child being present for these classroom visits and do not want your child involved, **please notify the classroom teacher or school staff before Monday 6th May 2024.**
